Notes & Details

This 24" x 18" microwave shelf offers a unique combination of affordability and durability with its 18 gauge type 430 stainless steel construction. This microwave wall shelf is ideal for maximizing storage space above stoves, sinks, and other kitchen equipment and has a maximum capacity of 185 lb. It also includes a grommet hole to allow power cords to pass through. Simply mount your microwave shelf to any wall using L brackets and place your microwave on top; it's as easy as that! Now you can marvel at the extra countertop space you have!
