Type	Microwave Shelves

Notes & Details

This 24" x 24" microwave shelf offers a unique combination of affordability and durability with its 18 gauge type 430 stainless steel construction. It's ideal for maximizing storage space above stoves, sinks, and other kitchen equipment and has a maximum capacity of 200 lb. It also includes a grommet hole to allow power cords to pass through. Simply mount to any wall using L brackets and place your microwave on top; it's as easy as that! Now you can marvel at the extra countertop space you have!
