Notes & Details

This Regency end-load unassembled bun pan rack is a convenient way to transport up to 20 full-size or 40 half-size bun pans around your establishment. With 3" of space between each slide, this unit is great for commercial kitchens, bakeries, restaurants, grocery stores and more!

The Regency PR20316K boasts 16 gauge type 430 stainless steel slides and 20 gauge 1" O.D. square tubing for long lasting performance. It also features four 5" casters, two with brakes for added security when loading and unloading pans. This unit ships unassembled.
