For easy adjustment, the shelf comes with 18 removable, galvanized hooks that can hold kitchen utensils, aprons, pots, and pans.

Above the bar is a full-length, stainless steel shelf, perfect for storing any number of frequently used supplies, from seasonings and paper towels to take-out containers and pot holders. This shelf enhances the space-efficiency of the rack, making it great for any commercial kitchen that's short on space. Plus, it mounts to the wall to remain in reach but out of the way (installation hardware sold separately).
