Notes & Details

Keep your storage area organized with this Regency Spec Line NSF stainless steel wire stationary dunnage rack with 3-sided frame. This kit includes (4) 8" mobile posts, (1) 18" x 24" shelf with a wire mat, (4) pairs of split sleeves, and (1) 3-sided frame. This versatile unit allows you to create a convenient storage solution for your janitorial closet, warehouse, or walk-in cooler. The durable type 304 stainless steel finish resists corrosion to ensure long-lasting use, and it is suitable for both wet and dry environments, making the unit a multi-purpose investment that's sure to accommodate your ever-evolving needs. Plus, the unit's high-quality design is commercial-grade and delivers the reliable performance every business expects and needs.

This shelf features a wire construction, which allows for proper airflow around the stored supplies, products, or ingredients, and it has a wire mat that can be removed for cleaning. The shelf accommodates up to 800 lb. of evenly distributed weight, and the 3-sided frame adds support and helps fortify the rack to accommodate heavy loads. For your convenience, the shelf is also adjustable and can be moved higher or lower along the posts. Plus, the included 5" casters allow for quick access and easy cleaning, and the casters are equipped with brakes to secure the unit in place when needed. This unit requires assembly.
