Notes & Details

Use this 64" stainless steel stationary shelving post to help outfit your facility with convenient storage. When combined with stainless steel Regency Spec Line shelves and accessories (sold separately), the post enables you to create customized storage space to best meet your facility's needs. The post's adjustable leveling foot even makes it easy to accommodate uneven surfaces.

Because it's made of high-quality stainless steel, this post resists corrosion, making it perfect to use in either dry or wet environments. Plus, thanks to the stationary design, it is especially convenient for long-term storage applications. Strong and sleek, this line of Regency Spec Line shelving is the perfect choice for long-lasting storage solutions. Compatible only with screw-in casters (sold separately).
