Notes & Details

Keep your storage area organized with this Regency Spec Line NSF stainless steel wire stationary shelving starter kit. This kit includes (4) 96" stationary posts, (6) 18" x 48" shelves, and (24) pairs of split sleeves. This versatile unit allows you to create a convenient storage solution for your janitorial closet, warehouse, or walk-in cooler. The stainless steel finish resists corrosion to ensure long-lasting use, and it is suitable for both wet and dry environments, making the unit a multi-purpose investment that's sure to accommodate your ever-evolving needs. Plus, the unit's high-quality design is commercial-grade and delivers the reliable performance every business expects and needs.

Each shelf features a wire construction, which allows for proper airflow around the stored supplies, products, or ingredients, and each shelf accommodates up to 700 lb. of evenly distributed weight. For your convenience, the shelves are also adjustable and can be moved higher or lower along the posts. A foot is provided for each post and must be used for proper installation. Mix and match with Regency Spec Line accessories (sold separately) to personalize your kit! The shelving unit requires assembly.
