Notes & Details

This Regency Spec Line stainless steel underbar drainboard provides space for your freshly washed glasses to dry, allowing you to quickly and easily prep mojitos, Long Island iced teas, beer, or any number of your popular beverages. This type 304 stainless steel unit features a 1" IPS drain and is fitted with a 7" backsplash to quickly drain away excess water while protecting the surrounding area from drips and splashes. The 18 gauge drainboard is designed for exceptional durability and years of high-volume use thanks to sturdy stainless steel construction.

This underbar drainboard has a perforated drainboard top that is removable for added convenience and ease of use. The sturdy stainless steel legs with U-shaped cross bracing and plastic bullet feet ensure stability during use. This stainless steel underbar drainboard has a durable and efficient design, making it the perfect addition to your restaurant or bar.
