Notes & Details

Make the most of your work space with this Regency Spec Line 24" x 24" corner work table with a hinged door and lock. The top of this work table is constructed from 14-gauge, type 304 stainless steel, while the body is constructed from 18-gauge, type 304 stainless steel. The durable stainless steel construction ensures that this table can withstand the rigors of daily use in a commercial kitchen. This table fits into corners to maximize space in your crowded kitchen.

This table includes a cabinet with a hinged door and a lock with two keys. For maximum stability, it has stainless steel legs that can be adjusted from 5" to 7" in height. Save space in your kitchen with this corner work table!
