Notes & Details

Encourage good hygiene and proper sanitation habits in your bar or restaurant with this premium Regency Spec Line underbar hand sink! The perfect addition to your full bar line build, this heavy-duty sink is constructed from 18 gauge, type 304 stainless steel to provide you with a durable handwashing station. It has holes punched on 4" centers to accept the included 10" deck-mount faucet with swing nozzle. Plus, it has a tall 7" backsplash, which helps prevent splashes and overflow.

This sink sits on four stainless steel legs with stainless steel sockets and bullet feet to provide your sink with a solid, reliable foundation to rest upon. Additionally, this sink features U-shaped cross bracing for maximum stability, and it features rivet holes for adjoining equipment or attaching accessories (both sold separately). It has a 1 1/2" IPS drainage connection to safely drain wastewater during use.
