Notes & Details

Make the most of your work space with this Regency Spec Line corner work table with sink, faucet, hinged door, and lock. The top of this work table is constructed from 14 gauge, type 304 stainless steel, while the body is constructed from 18 gauge, type 430 stainless steel. The durable stainless steel construction ensures that this table can withstand the rigors of daily use in a commercial kitchen. This table fits into corners to maximize space in your crowded kitchen.

This table features a 9" x 9" x 5" sink with 4" centers. It also includes a deck-mounted faucet with 4" centers, a 6" swivel gooseneck, and easy-to-install 1/2" male NPS inlets. It has ceramic cartridges for a dependable, watertight seal and a 2 GPM aerator for consistent flow rate with minimal splashing. The base has a cabinet with a hinged door and a lock with two keys for safe storage. For maximum stability, it has stainless steel legs that can be adjusted from 5" to 7" in height. Save space in your kitchen with this corner work table!

Kit Includes:

- Regency Spec Line 24" x 24" 14 gauge stainless steel corner work table with sink, hinged door, and lock
- Regency deck-mounted faucet with 4" centers and 6" swivel gooseneck spout
