Notes & Details

This standard-duty Regency underbar sink comes with your choice of a left- or right-side 12" drainboard for efficient washing and drying of your barware. The deep, 10" sink bowl accommodates all types of glasses, including pitchers! As an added convenience, it features a 3" high backsplash to keep your bar better protected from accidental spills.

This sink offers a durable 18 gauge, type 304 stainless steel construction along its top, bowl, and back, in addition to a 20 gauge, type 304 stainless steel apron. Thanks to the two holes punched on 4" centers, you can pick virtually any wall-mount faucet that meets your needs, whether it be rigid or swivel, or with a swing or gooseneck nozzle! For maximum stability, it has 16 gauge galvanized steel legs with plastic bullet feet.
