Notes & Details

Choose a reliable product with this standard-duty Regency underbar sink. The two sink bowls are deep and accommodate a large variety of glassware, including pitchers and taller glasses. As an added convenience, it features a 3" high backsplash to protect your bar from spills and splashes. This underbar sink has holes punched on 4" centers for simple faucet installation (sold separately).

This sink offers a durable 18 gauge, type 304 stainless steel construction along its top, bowl, and back. It also sports a 20 gauge, type 304 stainless steel apron. For maximum stability, the galvanized steel legs are cross-braced and feature plastic bullet feet. Two 2" drains with 1 1/2 IPS drain connections and drain baskets allow water to drain safely during use.
