- Prevents scraps and food debris from clogging sink drains
- Includes 2 handles
- Lip attachment provides a seamless connection
- Works with Regency 16" x 20" sink bowls

## Plan View

## Notes & Details

A great addition to Regency 16" x 20" sink bowls, this Regency pre-rinse basket will save you time and money by protecting your plumbing and drain systems from becoming clogged with large food particles and debris. The basket seamlessly fits over your sink bowl with its convenient lipped design, while 2 handles on either side allow you to move the basket with ease. When you're done, simply dispose of the collected food waste and set it up again for the next round of scrapping!

Made of 18 gauge, type 304 corrosion-resistant stainless steel, this basket is built to last and to withstand the rigors of a busy commercial kitchen. Perfect for Regency work table prep stations, this rinse basket is ideal for food rinsing and prep. Ensure your plumbing and drain systems are protected by adding this basket to your busy kitchen!
