Notes & Details

This L-shape dishtable from Regency Tables & Sinks brings an incredible combination of performance, quality, and convenience that is sure to boost the efficiency in your kitchen! This 5' soiled dishtable is made of 16-gauge type 304 stainless steel, making it a durable, corrosion-resistant package that is sure to last over the long haul. It boasts plenty of space to accommodate a dish rack going into your dishwasher, providing a convenient resting place until they're ready to load.

This soiled dishtable features a spacious 20 1/4" x 20 1/4" x 6" pre-rinse bowl to help users ensure dishes are rinsed thoroughly before washing. The holes punched on 8" centers allow for easy installation of a pre-rinse faucet (sold separately). This island dishtable has a 3" lip along the edge of the table. This lip helps contain dishes and spills to prevent messes.

Perfect for use in restaurant and hotel dishwashing stations, this unit has a lip that attaches to your dishwasher (sold separately) for a convenient setup that makes it easier to clean your dinnerware and cookware. The table features a 10 3/4" high backsplash to protect your walls and floors, along with a 2" return for drainage. Plus, its 1 5/8" diameter stainless steel legs and durable bullet feet protect your floors from scratches and keep your table stable. Ensure fast, efficient dish room operations with this comprehensive dishtable package!
