Notes & Details

This Regency 9" x 9" x 5" stainless steel drop-in sink is a versatile addition to your food service operation. Featuring a durable 18 gauge, 304 series stainless steel top with a polished 18 gauge 304 series stainless steel bowl, this sink is built to last. Plus, it comes with a 3 1/2" drain basket to conveniently catch food debris to prevent clogging the drain.

The 3 1/2" gooseneck faucet with swivel spout can be moved from left to right above the sink. The sink comes complete with 2 holes on 4" centers to accept the gooseneck faucet and the hardware for installation is included. The compact compartment makes this sink ideal for small spaces like food trucks, concession stands, and snack bars. The raised marine edge helps prevent water from dripping onto the floor. With both hot and cold water capabilities, this drop-in sink is a practical solution in a variety of settings.
