Notes & Details

Equip your kitchen, prep area, or bar with this Regency 20" x 16" x 12" 20 gauge stainless steel three compartment drop-in sink with (2) 12" swing faucets. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion-resistance, and sanitation this sink's bowls are made of seamless deep drawn 20 gauge, type 304 stainless steel. Plus, the 3 1/2" drains with a 1 1/2" IPS drain connections are ready for installation so you can get your new sink up and running.

This Regency sink comes with 2 faucets so you don't need to worry about purchasing compatible faucets separately. The 12" swing faucets with 4" centers and a 1.8 GPM flow rate mean you can immediately start using your new sink.
