Notes & Details

Equip your kitchen, prep area, or bar with this Regency 12" x 6" 20 gauge round straight-edged stainless steel one compartment drop-in sink. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion resistance, and sanitation, this sink's bowl is made of seamless deep drawn 20 gauge, type 304 stainless steel. Plus, the 2" drain opening is ready for installation so you can get your new sink up and running. Stud mounting and mounting brackets are included for easy installation.
