Notes & Details

This Regency stainless steel adjustable work surface is the perfect addition to your equipment stand. It provides a convenient, durable, easy-to-clean surface for placing ingredients or assembling sides! It adds versatility to your equipment stand to maximize space. Plus, because it's made of 16 gauge type 304 stainless steel, it's sturdy and long-lasting and won't dull knives.

Two stainless steel, curved legs attach the board to your 24" long equipment stand, and two stainless steel welded sockets hold it in place. This method of installation allows the work surface to easily adjust in height; just raise or lower where the sockets screw onto the equipment stand. Hardware sold separately.
