Notes & Details

Maintain a sanitary environment in your restaurant, stadium, or manufacturing facility by providing a convenient way for people to quickly wash their hands with this Regency multi-station hand sink with five wall-mounted faucets! Made of rugged 16 gauge type 304 stainless steel, this sink is rust- and corrosion-resistant. It's extremely durable and built for everyday commercial use.

Perfect for industrial applications, the advantage of a multi-station sink is that employees don't have to wait their turn to clean up. This extra wide sink bowl will allow up to five people to use the sink at a time, reducing the amount of time people have to wait in line. This helps to maintain cleanliness in your business and prevent the spread of germs, keeping your employees healthy.

This free-standing sink station includes five faucets that easily mount on its sets of holes punched on 8" centers. Plus, each chrome-plated brass faucet features an easy-to-use lever handle design. The 3 1/2" long x 8" tall swivel gooseneck spouts provide the right amount of clearance for handwashing. It delivers a flow rate of 2 GPM and a maximum temperature of 140 degrees Fahrenheit. The unit's spacious 8" deep sink bowl that is designed to accommodate multiple users for handwashing applications.

The unit's legs are made of stainless steel, and they feature bullet feet that offer 1" of adjustability for convenience. A 3 1/2" high backsplash protects your walls from splashing and water damage. Plus, the included 3 1/2" drain basket keeps your drain clog-free. This unit comes with a 1 1/2" IPS drain connection. For safety, the outer edge of the sink bowl is curled under to eliminate any sharp edges.

Kit Includes:

- 120" x 17 1/2" multi-station hand sink
- (5) Wall-mounted faucets
