Notes & Details

Stay up to code in your commercial kitchen with this Regency wall-mount hand sink with a gooseneck faucet! This sink features a 9" x 9" bowl with a 4" depth and a convenient 8" high backsplash with side splashes that allow you to place the sink close to work counters and other high-traffic areas without the worry of splashing or water damage. This compact sink is easy to clean, and it fits in tight spaces. It also securely attaches to the wall to open up floor space for other uses. The included wall-mount bracket ensures an efficient installation process. Additional installation hardware is sold separately. This sink's simple, attractive design encourages cleanliness in your commercial kitchen, making this item ideal for use in restaurants, bars, and cafes.

This sink's top, bowl, and backsplash are made with high-quality 20 gauge type 304 stainless steel for reliability and durability. The sink features 2 holes punched on 4" centers for easy assembly, while the included gooseneck faucet provides reach, clearance, and height with sufficient space for comfortable hand washing. Perfect for busy commercial kitchens, the faucet features a swivel gooseneck spout with a 1.2 GPM flow rate aerator, which creates a soft flow pattern with minimal splashing. The faucet's body is made with chrome-plated brass that complements nearly any design aesthetic, and a pair of simple zinc handles controls the water flow. For proper drainage, a removable 1 1/2" IPS drain basket is included to prevent drain clogging.

- Kit Includes:**
- Hand sink (Item 600HS12SPX)
 - Gooseneck faucet (Item 190FW44G12)
