Notes & Details

Keep your restaurant up to code without sacrificing space with this Regency hand sink. Suitable for wall or surface mounting, this sink comes standard with a single 14" x 10" x 5" bowl. The easy-to-use knee operated valve ensure sanitary operation and a simple installation. A screw on the side of the pedal valve allows for easy adjustment of the water temperature. This hands free design helps to eliminate cross contamination risks, keeping your facility clean and your staff and patrons safe and healthy.

The top mounted paper towel dispenser is made of durable 18 gauge type 304 stainless steel for long-lasting use. It holds enough towels that you can stay focused on other tasks and not have to constantly worry about refilling it. This towel dispenser comes with a key so that you can lock it and restrict access. It's a useful feature for all applications, but particularly in ones where damage or risk of tampering is a concern.

This sink offers an economical, 20 gauge type 304 stainless steel construction for its top and bowl, in addition to an 18 gauge type 304 stainless steel body and wall mount clip. The durable construction makes it a perfect addition to busy kitchens, auto shops, janitor closets, or industrial locations. Even with heavy, everyday use, it will prove a reliable addition to any facility. It comes standard with a 1 1/2" IPS drain basket.
