- Includes adjustable plastic bullet foot
- Set-screw installation makes replacement a breeze

## Plan View

## Notes & Details

This Regency replacement leg allows you to easily replace the worn or damaged component on 12" deep Regency sinks with galvanized legs! Measuring 20 1/2" long and equipped with an adjustable plastic bullet foot to accommodate uneven floors, this 18 gauge galvanized steel leg provides your sink with a solid, reliable foundation to rest upon so you always have somewhere to do prep work or wash, rinse, and sanitize dirty dishes. It also installs using a simple set screw so setup is quick and easy.
