Notes & Details

Store and organize your frequently used pots, pans, and kitchen utensils with the Regency stainless steel leg mounted pot rack! Designed for use with your 30" wide Regency work table, this pot rack lets you maximize the space on your unit while freeing up valuable space in your facility. Its type 430 stainless steel construction provides exceptional durability and corrosion resistance, ensuring that it can withstand use in your busy commercial kitchen.

Featuring 6 chrome-plated, double prong pot hooks, this pot rack provides ample space to keep your establishment organized to ensure maximum efficiency. Easily installed with the included set screws, this pot rack secures to the legs of your work table and is a great way to optimize unused space in your kitchen. See Compatible Models and Specs sheet for full compatibility details.
