Type	Bases Mechanical Parts

Notes & Details

Replace the worn pedestal base on your Regency hands free hand sink with this pedestal base! Thanks to its convenient foot valve, you can even convert your pre-existing Regency hand sink with a 10" x 13 3/4" bowl and a deck mounted faucet into a hands-free, pedestal sink!

This unit hides plumbing connections in areas where you want a cleaner, more professional look, like in display kitchens. This pedestal hand sink base is made of durable stainless steel to stand up to the abuse of the busiest commercial kitchens and industrial locations.
