Notes & Details

This Regency 24" x 30" poly top equipment table top is the perfect replacement tabletop for your Regency 24" x 60" poly top table. Great for prepping vegetables or making sandwiches, this table top is built to endure the demands of busy commercial establishments. The 3/4" thick poly top is also a cutting board surface, making it ideal for slicing, dicing, and chopping without dulling your knives.

With this replacement table top, there's no need to worry about labor-intensive maintenance, especially as the poly material is designed to support cutting and slicing on the surface. Simply wipe with a damp cloth or mild detergent to remove any stains, spills, or residue. This durable tabletop is a versatile, practical work surface for any kitchen, butcher shop, or bakery.
