Notes & Details

Prevent food debris and scraps from clogging your drain with this Regency scrap / pre-rinse basket! A great addition to Regency dish tables with 16" x 20" sink bowls, this basket will save you time and money by protecting your plumbing and draining systems from becoming clogged. This stainless steel basket easily attaches to your dish table to provide you with a simple solution to a costly problem. Made of 18 gauge type 304 stainless steel, this basket is built to last. Designed to withstand a busy commercial kitchen, the sturdy construction and corrosion-resistant material won't let you down.

Thanks to its (2) 14 gauge stainless steel rails, this basket allows dishwasher racks to effortlessly slide over the top. This added convenience allows you to keep the basket in place on dish tables without disturbing your organized and efficient workflow. The lip attaches to your dish table for a seamless, secure connection to keep the basket in place while you work. With a generously perforated surface area, this basket is great for rinsing dirty dishes and utensils while collecting discarded food debris before they go down the drain.
