Notes & Details

Protect your walls from dirty mop water with this Regency 15" high stainless steel three-sided splash for 20" x 16" mop sink. Made of durable, 16-gauge 304 series stainless steel, this three-sided splash is sure to stand up to consistent use in your commercial kitchen or washroom. It even features a rounded front edge to help protect staff from injuries.

This splash guard conveniently includes all necessary mounting hardware for easy installation. Ease the cleaning process in your establishment by adding this three-sided splash to your floor mounted mop sink and your staff will thank you!
