Notes & Details

Utilize the space in your kitchen with this multi-faceted 24" x 48" stainless steel commercial work table from Regency Tables and Sinks. This unit provides plenty of room on its work surface as well offering a stainless steel undershelf with aluminum die cast sockets to supply much needed space for light food preparation or storing tools and supplies.

Made from 18-gauge type 430 stainless steel, this Regency work table is both easy to clean and easy to maintain. Plus, it is mounted on (4) sturdy, stainless steel legs with stainless steel bullet feet for ample support. You can be sure this economical solution will add valuable work space within a variety of kitchen environments for a long time so your establishment can function at the highest level of efficiency.
