Notes & Details

This Regency 30" x 48" 14-gauge 304 stainless steel poly top table with undershelf provides additional work space in your busy butcher shop, deli, or kitchen. Great for prepping vegetables, butchering meat, and other heavy-duty applications, it's constructed from 14-gauge, 304 series stainless steel. The 14-gauge steel offers a sturdy surface for intensive prep tasks, while the 304 grade offers superior durability and corrosion resistance. It has a smooth, easy-to-clean surface which makes this work table an ideal addition to your establishment.

Easy to clean and durable, this work table includes an undershelf so you can keep supplies and utensils close at hand while you work. The 30" x 48" size is great for a variety of tasks as your staff works efficiently to prepare signature menu items. The 3/4" thick poly top is also a cutting board surface, making it ideal for slicing, dicing, and chopping without dulling your knives.
