Notes & Details

With the strength and reliability you've come to expect from Regency series work tables, this 36" x 60" 16 gauge stainless steel table is the solution you've been looking for to complete your commercial kitchen prep area! Ideal for busy kitchens, this work table is easy to maintain thanks to its durable, corrosion resistant material. And, with a smooth, type 304 stainless steel top, the table can be quickly wiped down at the end of a busy shift.

For unparalleled stability, this work table features stainless steel legs and hat channels, as well as stainless steel bullet feet with aluminum die cast leg sockets that allow you to place the table on uneven floors and still remain steady. A stainless steel undershelf provides a convenient place to store scales, cutting boards, food storage boxes, and other small appliances within easy reach. This work table from Regency is a must-have item for any commercial establishment.
