Notes & Details

This standard-duty Regency underbar sink comes standard with two 13" drainboards for efficient washing and drying of your barware. The deep 10" sink bowls accommodate all types of barware, including pitchers and tall glasses. As an added convenience, it features a 3" high backsplash to keep your bar better protected.

This sink offers a durable 18 gauge, type 304 stainless steel construction along its top, bowl, and back, in addition to a 20 gauge, type 304 stainless steel apron. For maximum stability, it has 16 gauge galvanized steel legs with plastic bullet feet. This sink's faucet includes two 1/2" NPS inlets and boasts a 10" swing spout that releases water through a 2 GPM aerator, creating a soft flow pattern with minimal splashing. This unit features two 2" drains with drain baskets included.
