Spout Type	Swing
Stainless Steel Type	Type 304
Type	Bar Sinks
Water Inlet Size	1/2 Inches

Notes & Details

This standard-duty Regency underbar sink is designed for a standard wash, rinse, and sanitize operation. It comes with an 11 3/4" drainboard on the right side of the sink for efficient washing and drying of your barware. It features a grooved surface to help hold onto your barware as the excess water drains downward into the sink. The deep 10" sink bowls accommodate all types of barware, including pitchers! As an added convenience, it features a 3" high backsplash to keep your bar better protected from accidental spills.

This sink offers a durable 18 gauge, type 304 stainless steel construction along its top, bowls, and back. For maximum stability, it has 16 gauge galvanized steel legs with plastic bullet feet. This sink's faucet includes two 1/2" NPS inlets and boasts a 10" swing spout that releases water through a 2 GPM aerator, creating a soft flow pattern with minimal splashing. This unit features three 2" drains with drain baskets included.

Kit Includes:
- 48" x 18 3/4" three bowl underbar sink with right drainboard
- Wall-mount faucet with 10" swing spout
