Notes & Details

Use this Regency 20" x 16" x 8" 16 Gauge Stainless Steel One Compartment Drop-In Sink with 8" Swing Faucet for your washing and rinsing needs! This unit is made up of durable 16 gauge, 304 series stainless steel. It has a 1 1/2" IPS drain connection, and it comes with a 3 1/2" drain basket to conveniently catch food debris to prevent clogging the drain. This sink is a must-have addition to any restaurant, bar, or break room. This sink is long-lasting and versatile, making foodservice simple.

This kit includes a compatible, deck-mounted faucet with an 8" swing spout. The faucet boasts a chrome-plated brass construction and offers a 2 GPM flow rate. It has 4" adjustable centers, 1/2" NPS inlets, and leak-resistant, quarter-turn ceramic cartridges with check valves. The unit offers a temperature rating of 40 - 140 degrees Fahrenheit. With both hot and cold water capabilities, this drop-in sink kit is a practical solution in a variety of settings.
