Notes & Details

Use this Regency 10" x 14" x 10" 16 gauge stainless steel three compartment drop-in sink with 10" swing faucet for your washing and rinsing needs! This three compartment unit is made up of durable 16 gauge, 304 series stainless steel that is built to last. It has 1 1/2" IPS drain connections, and it comes with (3) 3 1/2" drain baskets to conveniently catch food debris to prevent clogging the drains. This sink is a must-have addition to any restaurant, bar, or break room. This sink is long-lasting and versatile, making foodservice simple.

This kit includes a compatible, deck-mounted faucet with a 10" swing spout. The faucet boasts a chrome-plated brass construction and offers a 2 GPM flow rate. It has 4" adjustable centers, 1/2" NPS inlets, and leak-resistant, quarter-turn ceramic cartridges with check valves. The unit offers a temperature rating of 40 - 140 degrees Fahrenheit. With both hot and cold water capabilities, this drop-in sink kit is a practical solution in a variety of settings.
