Notes & Details

Complete your commercial kitchen's prep area with this Regency 30" x 48" stainless steel work table with sink! Combining an easy-to-clean, 16 gauge type 304 stainless steel top with a 12" deep sink, this unit is designed to streamline your workflow for maximum efficiency and convenience. Not only does this unit provide plenty of room on its work surface, but it also offers an 18 gauge type 430 stainless steel undershelf secured with aluminum die cast clamps to supply storage space for keeping scales, cutting boards, food storage boxes, and other kitchen appliances within easy reach.

With its integrated 16" x 20" sink, this unit allows you to easily rinse ingredients as you are completing other tasks on the table's work surface. Its 12" deck mounted swing faucet with 4" centers provides excellent clearance, and the included 3 1/2" drain basket has a 1.5" IPS Drain connection and helps collect excess waste particles to eliminate the possibility of clogging. Plus, a 4" backsplash protects your walls from splashes and spills while also preventing items from falling behind the table.

For unparalleled stability, this work table features stainless steel bullet feet and leg sockets that allow you to place the table on uneven floors. Plus, the unit is supported by stainless steel legs and hat channels, providing a solid foundation and long-lasting reliability.
