Notes & Details

Outfit your facility with a long-lasting sink that will meet your needs with this Regency one compartment commercial sink. This durable sink is made with high-quality, welded 16 gauge, type 304 stainless steel for durability, corrosion resistance, and long-lasting use. This sink features a 34" work surface height with a sturdy 18" right-side drainboard, allowing you to easily wash and dry dishes and utensils in one convenient location. It's also dipped a minimum of 1/4" to facilitate better drainage. This item's 1 5/8" diameter galvanized steel legs with adjustable plastic bullet feet provide added stability.

This sink features a 16" x 20" x 12" sink bowl that includes a 3 1/2" drain basket strainer to catch food debris, which prevents the drain from clogging. For easy cleaning, the compartment has rounded corners so you can rinse and wipe down the sink. This sink also includes a 1 1/2" raised, rolled edge that rises to 2" on the front and both sides, as well as a 9 3/4" tall backplash to contain splashes and overflow. The sink is designed with two 1 1/8" diameter holes punched on 8" centers to accommodate a faucet (sold separately). Designed for medium-duty use, this Regency sink is ideal for most restaurants.
