SKYCAP® CART

"In hospitality, everything has to move, and move quickly. You are setting up parties all day, one after the other, with different levels of staff often having to assemble and transport these items across an entire hotel. So, you need products that not only can withstand that type of heavy use, but will maintain their visual appeal." Tamir Levy.

When you buy a Rosseto® product, we know that you want to use it for years to come. You want it to stay looking just as good as the day you bought it, 6 months and 20 events later. Don't worry we have a solution for that too. Loaded with custom shelving and velvet-lined surface cases, the Sky Cart makes transporting, storing and maintain your Rosseto® products incredibly simple.

Please note: all Sky Carts need to be ordered with surface cases.
