Notes & Details

Keep your pizzas hot, fresh, and ready to enjoy by choosing this Servit PDW18D1PC 18" full-service pizza warmer with rotating 4-shelf pizza rack, pretzel rack, and customizable panels. Add this unit to your pizza shop, kiosk, concession stand, movie theater, or food truck to hold freshly-made pizzas or hot soft pretzels and show them off to your customers. This pizza warmer offers a chrome-plated rotating rack that can hold up to (4) 18" pizzas. It also comes with a pretzel rack for increased menu versatility. When this pizza warmer is installed on your counter, it will draw in customers with bright LED lighting and panels on three sides of the unit. These panels are customizable to showcase your specific branding.

This unit has four glass sides so customers can see your delicious pies or savory pretzels from any angle, and the single glass door allows for simple loading or unloading. The interior of the cabinet features a water pan that provides active humidity to prevent food from drying out before being served. The adjustable humidity and heat control offers a range of 86 to 194 degrees Fahrenheit. It requires a 120V electrical connection, and it has an output of 1700W.
