Notes & Details

Keep your flatware organized and readily available with this ServIt 24" stainless steel flatware / tray cart with 12 flatware cylinder capacity. This cart is made of 16 gauge 304 stainless steel for long-lasting use. Its sleek design makes it ideal for front and back of house use. The top of the cart holds up to 12 flatware cylinders (sold separately), allowing you to keep an ample supply of utensils ready for your guests. Additionally, the open front compartment allows you to easily store up to (200) 10" x 14" trays (sold separately).

This flatware cart includes 4 casters that are each equipped with brakes, giving you stability during service. The cart also has corner bumpers for added safety, protecting nearby walls, appliances, and furniture. The unit comes fully assembled and ready for use. Add this convenient cart to your restaurant, cafeteria, or cafe to make your foodservice quicker and more efficient.
