brushed stainless steel

specs

sku #	KT1183
upc #	838810024301
material	
product (W.D.H.)	2.8 x 3.8 x 7.2
box dimensions	4.2 x 4.8 x 7.9
MC box	11 x 13.6 x 9.3
(in)	
weight w/pkg	1.5 lbs.
MC quantity	6
MC weight	9.9 lbs.
MC cube	0.805 ft. ³
(lbs / ft ³)	
product (W.D.H.)	7.1 x 9.7 x 18.2
box dimensions	10.6 x 12.3 x 20
MC box	28 x 34.5 x 23.5
(cm)	
weight w/pkg	0.7
MC quantity	6
MC weight	4.5
MC cube	0.023
(kg / m)	

just a light touch

Our unique pulse mechanism features direct-intake valves and a smooth, low-friction plunger to dispense soap or sanitizer with 60% less effort than normal push pumps.

built for years of daily use

The stainless-steel body, die-cast pump head, and high-quality, low-resistance parts are tested to withstand over 150,000 pumps – that’s over 15 pumps a day for 27 years.

drip free, clog free.

Our innovative reverse-flow valve design draws the soap back from the nozzle for a split-second after every dispense to keep it clean and drip-free.

quick and easy refill

Our funnel opening makes refilling quick, effortless, and mess-free.

we don't like germs

Invisible fingerprint-proof coating is infused with Agion®, an EPA-registered antimicrobial that inhibits the growth of bacteria, fungi, mold, and mildew, protects stainless steel and keeps it smudge-free.

refill and reuse

Throwing away disposable plastic pumps over and over is hard on the environment — and your wallet. Our resealable refill pouches are a smarter way to buy soap or sanitizer.
