Notes & Details

Create delicious pizza with the help of this Solwave 12" round cordierite pizza stone! This pizza stone is the perfect addition to your kitchen, allowing you to create a crispy crust that your customers will love. It is made of cordierite stone and it boasts a thick, porous construction to ensure excellent heat retention. This pizza stone is compatible with G1-RCO-H (sold separately). This stone is also great for warming up menu items such as Stromboli, sandwiches, and baked goods, making it great for use in cafes, restaurants, and delis.
