TOTE PICKING CART WITH ANGLED SHELVES

The Rubbermaid Commercial Products Tote Picking Cart is a time-saving cart that allows for more efficient and accurate order fulfillment. Perfect for distribution center or retail store order picking. Quickly pick, pack, and fulfill multiple orders with great organization. Option to get additional storage with the Tote Storage Bracket (2144270), sold separately.

FEATURES & BENEFITS

- With three slanted shelves, the Tote Picking Cart is up to 30% more efficient allowing for quicker order picking and fulfillment. *
- High visibility angled shelves reduce errors in the picking process
- Pack orders directly into totes on angled shelves rather than on a packing station
- Slim design allows the cart to fit in the narrowest aisles at just 18.5" wide
- Easy maneuverability with 4" swivel locking casters that allow for easy navigation in busy aisles
- Rubber bumpers avoid damages to product and shelving
- 450 lbs. weight capacity
- Dimensions: 57"x18.5"x55"
- Accessories sold separately: RCP Stack and Nest Palletotes® (FG172100GRAY & FG173100GRAY). Tote Picking Cart Storage Bracket (2144270)
