Notes & Details

Equip your kitchen, prep area, or bar with this Waterloo 20" x 16" x 12" 18 gauge stainless steel one compartment drop-in sink with an 8" swing faucet. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion resistance, and sanitation, this sink's bowl is made of seamless deep drawn 18 gauge, type 304 stainless steel. Plus, the 3 1/2" drain is ready for installation so you can get your new sink up and running.

This Waterloo sink comes with a faucet so you don't need to worry about purchasing a compatible faucet separately. The 8" swing faucet with 4" centers and a 2 GPM flow rate means you'll be able to start using your sink right away. This model comes with the hardware you will need for installation.
