Notes & Details

Install a convenient and useful water fixture in your business with the Waterloo wall-mounted mop sink faucet with 8" centers! Waterloo faucets provide the industry-leading quality you expect. With heavy chrome-plated brass faucet bodies, ceramic cartridges engineered for durability, and certifications from a wide range of national and local regulatory agencies, you can install this model with confidence. And to give you total peace of mind, it comes with a 3-year replacement warranty.

This faucet features 8" centers with built-in service stops. It also has vacuum breakers that prevent water backflow. The sturdy lever handle design makes it easy to turn the water flow off and on. The upper wall support ensures this faucet is secured to the wall at all times, and the wall bracket is included. Additionally, the pail hook built into the nozzle provides extra convenience while cleaning.
