Notes & Details

This Waterloo 23" pre-rinse hose assembly is a perfect replacement for the one that came with your Waterloo pre-rinse unit. Made of stainless steel, this hose measures 23" long to provide the flexibility necessary to wash dinnerware, glassware, and bulky items like pots and pans. It features a handle with a comfort grip that makes it easy to hold even during long shifts in the dishroom, and it measures 8" long. The navy color and matte finish match the look of the rest of your Waterloo pre-rinse faucet seamlessly.
